#### Y. M. C. A. "TALENT TRUST" TO GIVE ENTERTAINMENT

First Program of Organization Will Be Given This Evening-All Local Performers.

The Washington Y. M. C. A. is defying the Department of Justice by or-

ganizing what is frankly named a "talent trust." L. Gordon Leech has set about round ing up into one organization all the best amateur talent of Washington,

and the first program put on by a portion of his organization will be this evening, when a joint Y. W. C. A. and Y. M. C. A. entertainment will be given at the Y. M. C. A. building.

The program will follow the lines of those given in the Friars' Club, New York, and the performers will be invited to perform "stunts," with the nature of their number left to their own sudgment.

ture of their number left to their own judgment.

Among those to appear are Mrs. William T. Reed, Nina J. Maiori, Miss Isabel M. Pechin, Mrs. Maud Howell Smith, Miss Ruby Raymond, Mrs. Julian Brylawski, Robert W. Bell Mrs. Mabel Kipp-Lewis, Walter Sorrell, Oliver Smith, Edwin Callow and Mrs. Morgan Blackford. Others who will appear at a later date include John Waters, Charles Trowbridge Tittman, Arthur Butler Pierce, Mrs. Agnes L. Bode and Mrs. Huron W. Lawrence.

At each of the entertainments a special group of employes of the government and business houses will be invited, though all comers will be welcome. For this evening the guests of honor will be clerks of the Southern railway, War Department employes and members of the Y. M. C. A.

In addition to the entertainment of the "talent trust" there will be a play carnival, directed by Misses Greene and Cole of the Y. W. C. A. and Charles W. Wannan of the Y. M. C. A. orchestra, directed by H. Millette, will play in the lobby.

#### U. S. PLANS POWDER PLANT.

The Council of National Defense is considering the establishment of a government powder manufacturing plant at Fort Gibson, Okla., the head of navigation on the Arkansas river. This was brought out during a conference of Oklahoma business men with Chairman Baruch of the council's advisory com-mission and other members of that body.

Two Structures in Potomac Park Are Being Erected at Cost of Five Millions.

Covering a floor space of 1,885,000

square feet, or about forty acres, will be the two structures being erected in Potomac Park and facing on B street between 17th and 20th streets, to be ccupied by the Navy and War departments. The cost is to be \$5,000,000.

The plans for the building were prepared by the bureau of yards and docks of the Navy Department, under the direction of Civil Engineer A. L. Parsons, U. S. N. G. P. Hale is the architect. They are being constructed under the direct supervision of Civil Engineer O. A. Mechlih, U. S. N. R. F. An idea of the size of the buildings can be had when it is explained that the perimeter is four miles and that if the wings were placed end to end they would extend from the Capitol to the White House, forming a building sixty feet wide and three stories high. ments. The cost is to be \$5,000,000.

ing sixty feet wide and three stories high.

There are 4,500 concrete piles being used in the construction of the buildings. The total number of barrels of cement is 107,290 and 38,100 tons of sand, 81,500 tons of gravel, 4,507 tons of steel and 3,395,000 feet of lumber. The work of erecting the structures is being done by a force of 3,200 men, and it is expected they will be completed in the fall. More than nine acres of glazed steel sash, which will require two carloads of putty, will be used.
